

# How to Launch the C9 Portal

## PURPOSE

This document covers how to launch and access the C9 Portal for account management purposes.

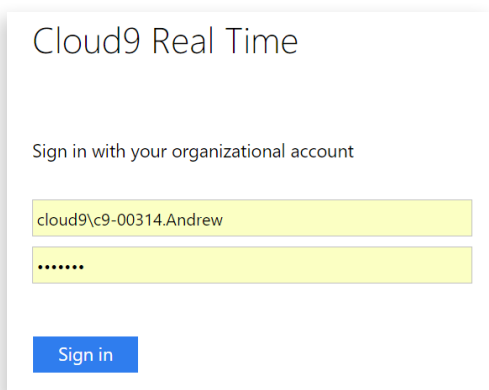

---

### STEP 1

Navigate to Portal sign in: <https://c9portal.cloud9realtime.com/>

### STEP 2

Enter Cloudnine Credentials

Cloud9 Real Time

Sign in with your organizational account

cloud9\c9-00314.Andrew

.....

Sign in

Congratulations! You should now have access to the C9 Portal. If you are having trouble accessing the C9 Portal, you may need to [open port 7779](#) on your local computer.
